WORK EXPERIENCE

Brussels, Belgium Sep 2021 – Present	Secondary School Teacher **Athénée Adolphe Max**	As a Creative technology and computer science teacher, I explore various tools with my students. I teach them some of the theory behind the technologies they use everyday (the Internet, the Web, video games, social networks) and give them hands-on exercices to practice.
Brussels, Belgium Jan – Jun 2021	Secondary School Teacher **INRACI**	I taught Photography, Mixed Media, Graphic Design and Web Design to Senior and Junior High School students.
Brussels, Belgium Dec 20 – Mar 21	Secondary School Teacher **Lycée Emile Jacqmain**	Creative technology and computer science teacher.
Marbehan, Belgium May 17 – Sep 18	Project assistant **Défi Laine**	As project assistant, I performed periodic budgeting to project cash requirements, prepared financial reports required by law and annual expense forecasts to achieve budget. I also wrote and edited the monthly newsletters and held a photography workshop.
Shanghai, China Oct 2016 – Jan 2017	Creative intern **ARMA Global Media**	As an intern, I had the opportunity to build ARMA's 2016 showreel*. I wrote the storyline, the narration and edited the video.
Belgium 2011 – Present	Photographer **Freelance**	My work has been published and showcased in solo as well as group exhibitions. Non-exhaustive list: – "D'Après Nature", collective exhibition, Verviers Museum of Fine Arts, 2016 – «L'Ebloui», selected work exhibited during the International Biennale of Photography, 2014
